

# SAFETY-AT-SEA SEMINARS

*in Annapolis, March 29 & 30, 2008*

*USNA, Alumni Hall*

Presented by:

Marine Trades Association of Maryland and U. S. Naval Academy Sailing Squadron

The 2008 U.S. Naval Academy Safety at Sea Seminar, to be held on **March 29 & 30**, will focus on offshore as well as inshore safety issues, and have a valuable program for cruisers and racing sailors. The live on-the-water demonstrations and helicopter rescue are features of the Annapolis Safety at Sea that are unmatched in this country.

The Safety at Sea Seminar in will be held in Alumni Hall. This year's event will feature sessions of importance to those doing the Bermuda Race as well as solid safety lessons for cruisers. Topics of Medical, Weather, Damage Control and Boat Preparation will be addressed.

Featured speaker this year will be Jim Mattingly who ran the racing program for Ted Turner during the 1979 Fastnet Race. The 1979 Fastnet Race, and the 15 fatalities during the race, was the genesis for Safety at Sea Seminars.

Advanced day two session will feature in depth discussions with speakers, a voluntary in-the-pool participation of life raft boarding and a new hands-on 'damage control and jury rigging' session. Also new this year: Mini Weather Seminar, this is a small group, all Sunday afternoon session, and will be offered on a first to sign up basis.

Safety at Sea is divided into two sessions: Pricing Day I: (March 29) \$110 which the evening reception and US SAILING certification. Day II Advanced: (March 30) \$60. Both Days: \$155

Advanced reservations are encouraged. Fee includes morning coffee & lunch. US SAILING members are entitled to a \$5.00 discount. No refunds after March 24, 2008. **Please attach names and addresses of all attendees covered by this registration (essential for mailing certificates).** US SAILING Certificates are given for Day I attendance. Due to security measures at the U. S. Naval Academy, please provide complete contact information. Completed form should be mailed or faxed to the MTAM.
